INNOVATE, INSPIRE, PITCH, **INVEST.**

Northern Ontario is evolving, and **Venture North PITCH continues to be a catalyst for that momentum.** In partnership with NORCAT Innovation, Northern Ontario Angels (NOA) is proud to bring forward a renewed pitch experience designed to elevate entrepreneurship in our region.

This year's event features a fireside chat, meaningful networking opportunities, and an exciting pitch competition where finalists showcase the innovations shaping the future of Northern Ontario. Accredited Angel Investors will have the opportunity to discover emerging companies, connect with founders, and explore high-potential investment opportunities across diverse sectors.

Venture North PITCH 2026 takes place at Collège Boréal in Sudbury, Ontario on October 1st, 2026. Whether you're looking to champion new ideas, back high-growth companies, or help shape the next wave of innovation in Northern Ontario, this event is your gateway.

Because Northern Ontario isn't just growing — it's redefining what's possible.

Pitching at Venture North PITCH 2025

Embrace the North.

It's no secret that Northern Ontario is an ideal place for founders seeking to make a meaningful impact, scale sustainably, and become part of a thriving innovation ecosystem.

Become part of that wave. As a partner, our event offers a distinctive opportunity for you to explore the dynamic landscapes and opportunities across diverse industries.

Venture North PITCH is now entering its third year, continuing to shine a spotlight on the ingenuity and resilience of entrepreneurs across Northern Ontario. Each year, the program brings together innovators from across the region for an evening of insight, collaboration, and discovery. From engaging fireside conversations with industry leaders to dynamic pitch presentations, the event highlights the strength and potential of Northern Ontario's talent.

This year, we're excited to continue that momentum—celebrating our ongoing commitment to fostering entrepreneurship and supporting venture growth throughout the North.

For over a decade, NOA and NORCAT have provided a platform for entrepreneurs to pitch their ventures to a seasoned panel of Accredited Angel Investors. Some of these enterprises have grown into key contributors across the tech industry, mining innovation, health sciences, and more—creating sustainable jobs and long-term regional prosperity. **By joining forces, we are amplifying the impact for our communities across Northern Ontario.**
